Thanks Doug –

Yeah, I have the same question about potential other stakeholders. No other groups stick out to me, but I'm going to pose that to Sophia (our CIC) and the larger team at our branch meeting this morning.

I'm hoping we get to 17-mile early enough in the meeting so you can be there for that discussion.

I think it looks good.

Just some quick questions about stakeholder input. Are all the parties that should be represented included in the Stakeholders? Do others feel the CAG will represent them? Is there a TAG Grant?

Hi Karl,

Please see attached for the initial draft agenda for the LPRSA CSTAG meeting.
Let me know if there are any more details you may need or if you have any concerns with our proposed schedule.

I have my team holding 2/27(T), 2/28 (W), and 3/1 (Th) as tentative dates for the 2-day meeting.

Thanks for your time earlier today,
